**CHAIR MACHINERY**—McKnight No. 173 Chair Assembly Clamps

McKnight No. 33-C Mortiser  
McKnight No. 71-D Chair Back Tenoner

McKnight No. 29-E Gaining Machine

McKnight No. 45 Oscillating Drum Sander

McKnight No. 106 Duplex Steam Pump

McKnight No. 88 Saw & Chuck Mch., single end

Bell No. 27 Sgl. End Saw, Bor. & Chkg. Machine

**CLAMPS**—Hardy All Steel and Iron End, port.

Handy No. 705 Bow End Bed Clamp, portable

Handy No. 100 Vertical Bed Clamps, portable

**CLAMP CARRIER**—Billsstrom 6-1/2" 11-Section

Clamp Carrier, 4-30" clamps

Handy Revolving Glue Clamp Carrier, 10-ft. capacity, 18 sec., with nine 31" clamps per arc.

**DOVETAILERS**—Dodd's 12 spds., b. & m.d.

Wysong & Miles No. 211 auto. prod. motor driven

**DOWEL MACH.**—Hawker No. 2 Dowel Machine, belt and motor driven

Bell No. 8 Dowel Gluer and Driver, motor driven

**FREQUENCY CHANGER**—G. E. 7-1/2 KW, ITT, 60-120 cycle, 1800 R.P.M. Motor

**GLUE HEATERS**—Francis, 20, 40 and 100 gallons

**GLUE JOINTERS**—Jenkins No. 343-A, Cont. Ch. Fd.

Ballbearing, Motor Driven

Diehl No. 60 Glue Jointer, Ret. Feeder, m. d.

Yates No. 213, ballbearing motor driven

**GLUE SPREAD**—Perkins 36" Double Roll Spdr.

Francis 8" Single Roll Glue Spreader, hand feed

Francis 31" Model "G" Vegetable Glue Spreader

Francis 38" Model "G" Double Roll

Bell 72" Flat Plate Glue Spreader

**JOINTERS**—Towsley 12" R. H., b. & motor drive

Oliver 12", Power 16", Oliver 24" round head

American 12" Round Head Ballbearing, Mtr. Dr.

**HAND JOINTERS AND FACERS**: Yates-American

30" Jointer, ballbearing, m-d, with Feed. Attach.

**LATHES**—Towsley & Fay & Egan Hand Turning

Yates No. 73 Ballbearing, Automatic, Motor driven

Jenkins 42" capacity, back knife gauge Lathe

**MORTISERS**—Greenlee No. 227 Hollow Chisel

Vertical, 2 motors

Greenlee No. 228 Vertical Hollow Chisel, m. d.

New Britain No. 2 Chain Mortiser, motor driven

Wysong & Miles No. 286 Hinge Mortiser, m. d.

**MOULDERS**—American 6", No. 1 four-side, b.d.

H. B. Smith 8" four-side, belt driven

Mattison No. 226, 12-inch, b.b., m.d., with

Hopper Feed. Full set of round & square hds.

Yates 8" No. C-4 belt driven with countershaft

Yates 10" No. C-5 Electric Moulder

**PLANERS**—Whitney 30", No. 32 Single Cabinet,

four knife, round head, ballbearing, motor driven

Whitney 36", No. 24 Dbl. Cabinet Pl. b. b., m.d.

Whitney 44", No. 24 Double Cabinet Surfacer, ball-

bearing, direct motor driven with Elect. Grinder

Greenlee 30", No. 10 Single Cab., ballbearing, m.d.

Yates 30", No. 177 double motor driven

**ROUTERS**—Porter No. 502 Dbl. Spdl., b.b., m.d.

Osmund E-6-P radial arms, bench type

**BELT SANDERS**—Curtis No. 45 Edge and Flat

Curtis Hand Block Belt Sander, 6' table

Mattison No. 176 Oscillating Edge Belt, m. d.

Kedin-Ekstrom No. 7, oscillating edge, belt drive

Yates No. S-2 Oscillating Edge Belt Sander

Curtis No. 64, 6" and 8" Automatic Stroke, m. d.

**DRUM SANDERS**—Yates-American 43" No. 433

triple drum Endless Bed, ballbearing, motor drn.

Smith 43" No. 401-D Triple Drum, built-in motors

Smith No. 404-D Triple Drum, Endless Bed, B.B.

Motor Driven

**MISC. SANDERS**—Mattison No. 115 Variety Belt

Sander, motor and belt driven

Nash No. 10 Automatic Sander, 72" capacity

Jones-Superior No. 145 Cone Sander, motor driven

Porter Single Spindle, Belt Driven

Porter-Cable D-2 Disc Sander, motor driven

Fay & Egan No. 2 comb, disc and drum, belt drive

Fay & Egan No. 454 comb, disc and drum, b. d.

**BAND SAWS**—Wallace 16" Ballbearing, m. d.

American and Towsley 36", motor driven

Tanneewitz 42" Ballbearing, m. d.

**RIP SAWS**—Yates-American G-77 Chain Feed,

ballbearing, built-in motors

Mattison 207-M chain feed, motor driven

Hermance No. 333 Chain Feed, b.b., motor driven

Hermance No. 36 chain feed, belt driven

American No. 25 Edging and Ripping Saw

Fay & Egan No. 386, chain feed, motor drive

Eaglesfield Chain Feed ballbearing, two built-in mtr.

**VARIETY SAWS**—American No. 1 Tilt

Table Fay & Egan No. 330 tilting table, motor drive

Greenlee No. 493 ballbearing, Tilting Table

Handley & Whittemore No. 27, combination rip

and cut-off, motor driven

Jones-Superior No. 16 tilting table, belt drive

Buss-Tilting Table, motor-on-arbor

Tanneewitz Type "F" Tilting Table, Ballbearing

**MISCELLANEOUS SAWS** — Eaglesfield bench

type mtr., motor driven

American 73" combination saw and sander, m.d.

American and Bolt ceiling Swing Cut-off Saws

Buse Double Cut-off Saw, belt driven

Union combination saw and jointer

Jones-Superior Speedster Saw, motor driven

Bell No. 27 Single End Sawing, Boring and

Chucking Machine, two built-in motors

Yates-American No. 3 Double Cut-off Saw, m.d.

**SHAPERS**—Advance No. 22, 23, 123, 223 double

ballbearing, motor driven

American No. 20, double b.b., belt driven

Fay & Egan No. 266 double spindle with motor

Greenlee No. 152 double ballbearing, motor driven

Whitney No. 8 and No. 9 dbl. spdl. bronze brg.

Whitney Single Spindle Belted Motor Drive

**TENONERS**—Ameri. No. 1 sgle., coupled motor dr.

Smith No. 225-C-single, belt and motor driven

Jenkins No. 95 Electric Double End Tenoner

**VEENEER EQUIP.**—Sheridan 55" Veneer Cut., md.

Con 100" Veneer Lathe

Handy No. 310 Veneer Press with three screws

Francis Sectional Veneer Presses, assorted sizes

Francis 36"x60" Hydraulic Veneer Press

Francis 36"x84" Hydraulic Veneer Press

Francis 43"x108" Hydraulic Veneer Press

6" Jenkins Type "D" Veneer Jointer

Merritt 84" x 54" Veneer Redrier, motor driven

Plycor Tapeless Veneer Splicer, m.d., practic. new

Denim Veneer Taping Machine, motor driven

**MISCELLANEOUS MACHINES**—Gardner-Den-

ver Air Compressor with 20 H.P. mtr.

Sturtevant 70" Double Exhaust Fan, 75 H.P. mtr.

Whitlock Fluter, motor driven

Racing Marquetry Jig Saws, motor driven

Ekstrom-Carlson Multiple Spindle Grooving Machine

with three self-contained motors

Shawer Spiral Twist Machine, complete

Crescent Variety Woodworker, belt driven

Smith & Phillips Window Frame Machine, b.d.

Defiance No. 687 Lock Joint Groover

Whitney 26" Scraper with grinder

Henn Automatic Shaping Attachment
